## Your shortcut to happy hour

Find your friends with phone + text + email + web.

The Palm® Centro™ smartphone gives you voice, text, email and web,<sup>1</sup> all in a phone that's a lot smaller than you think. Which basically means you can keep up with friends in every way possible. The Palm Centro even has a touchscreen and a full keyboard, so you can say what you really mean and L8R to short, confusing messages. Let's go.

<sup>1</sup> Within wireless coverage area only. Email, messaging and web require data services at an additional cost. ISP and/or VPN may also be required. Direct Push Technology requires Microsoft Exchange Server 2003 with SP2 or Exchange Server 2007.

<sup>2</sup> Within EvDO data wireless service coverage area only. Actual data speeds vary based on network capacity and application design. Backward compatible with 1xRTT and IS95 networks.

<sup>3</sup> Within wireless coverage area only. Google Maps for Mobile may not be available for certain areas.

<sup>4</sup> Additional service charges may apply. Connection via USB sync cable (included in box) or Bluetooth® wireless technology.
