

Education Purchase Program

Extending the reach of your education budget dollars

Savings for schools. The Education Purchase Program gives schools a way to extend their technology budget and to enable equity by offering additional free units for various levels of institutional purchases. The program is designed to assist schools in deploying Palm handhelds for each educator and student in a classroom, in a larger school project and in campus-wide initiatives. It is open to all public and private K-12 schools, colleges and universities in the United States.

Endless possibilities. With hundreds of applications tailored to administrators, teachers, and students, Palm handheld computers are powerful, mobile tools for everyone in your school. To find out more about how Palm handhelds, mobile managers, and smartphones can be effective teaching and learning tools and to read about how other schools are using these devices, check out our education solutions at www.palm.com/education.

An option for every budget.

- Classroom:** Buy 30 Palm devices, receive 3 additional units free
- School:** Buy 100 Palm devices, receive 12 additional units free
- Campus:** Buy 500 Palm devices, receive 72 additional units free

Offer valid on all current Palm Zire and Tungsten handhelds, and Treo smartphones.
