

# Treo™ 650

The Treo™ 650 smartphone from palmOne makes it easier than ever to stay connected. It simplifies your life by combining a compact mobile phone with email, an organizer, messaging, and web access.<sup>1</sup> There's also Bluetooth® technology so you can connect wirelessly to other Bluetooth devices, a built-in MP3 player,<sup>2</sup> a digital camera that captures video, and a vibrant color screen that brings everything to life.

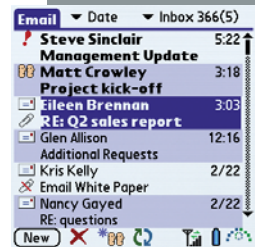

**Pick up a smarter phone.** The Treo 650 smartphone looks and feels just like a phone, but it's so much more. You can carry thousands of business and personal phone numbers with you, and then dial any of them by name right from your Contacts list. And a full QWERTY keyboard makes dialing, entering information, and using all of your Treo 650's functions that much easier.

**Stay connected with wireless email and messaging.**<sup>1</sup> Wireless Sync from Verizon Wireless lets you send and receive email when you're away from your desk or out of the office. And you can exchange thoughts and ideas on the fly with text and picture messaging. With the Treo 650 smartphone, you're always in touch with what's important to you.

**Organize your entire world.** With Calendar, Contacts, Tasks, and Memos, the Treo 650 smartphone lets you organize your business and personal life—all in one place. You can synchronize your calendar and contacts with your computer, so everything's always up to date. Plus, if you already have a Palm OS® powered handheld or smartphone, you can transfer information from your old device with the touch of a button.

**Browse web sites on the go.**<sup>1</sup> Get driving directions when you're on the road. Or check the latest news and sports scores while you're waiting for a flight. Featuring a built-in web browser, the Treo 650 smartphone loads web sites quickly and even displays pages with frames—all on a bright, crisp touchscreen color display.

<sup>1</sup> Within wireless service coverage area only. Web, email, and messaging may require data services from Verizon Wireless at an additional cost. ISP may also be required.

<sup>2</sup> Requires expansion card, sold separately.
